Freedom for Val'Whlane?

The people of the Naldar have accepted Val'Whlane as one of their own and wants to free her from the dependence of kel Soron Timuriel. At the moment however she refuses and almost has to be forced to her liberty. It is believed that she is still strongly controlled by Timuriel. The gender of the Val'Whlane has not been determined so far.

Jasmina tries...

...the "Heisse Maid". Yesterday I was again roaming around the Tross and was just about to enter the tavern Norderby. Just in this moment I noticed a couple of colorful tents and beautifully dressed people in front of them. At a second glance I noticed the oppulent arguments of the present women. There were also a couple of well built men at hand. After some minor investigation I realized that these men and women were women and men of nightly pleasure. The first few moments I was surprised, but then I remembered that the soldiers are also often in need of distraction and affection after the battle. I was always curious. Therefore, I decided to accept their offer and spend a couple of moments at their establishment. Spending the time with a man nevertheless was too risky for me and I'm also a tad too shy. Additionally, I was reassured that wearing my shoes would prevent me from getting pregnant. Thank god! I chose captain Elisabeth as my partner. Her inviting

The most important news

Is the chace more important than the battle?

- Naldar of the East still sick
- worm of pestilence appeared on battlefield, keep your distance! You will get sick!
- Already four shockwaves, everytime at 11pm and 11am. No known reason found until now.

chest and her slender fingers sparked my curiosity. As soon as we entered the tent, things started promptly. In the beginning I was a little reserved. The captain however is a very skilled lady in directing the young and inexperienced.

Satisfied and relaxed I started my way home. I can only recommend this establishment to anyone.
